

Directions

From the Visitors Centre, take a right onto Joyce Ave. Follow Joyce and take a left onto Manson, right on Cassiar St., and left again on Yukon Ave. Take a right onto Haslam St. and continue onto the gravel road on the left side. This is also the access road to Haywire Bay Park and campsite – follow the signage.

Inland Lake Route

A 13 km wheelchair accessible trail circles Inland Lake. There are several picnic/rest areas, overnight camping areas and fishing wharfs available (see map). Campsites are on a first-come first-served basis. The trail is a crushed limestone covered pathway with minimal grades. There are two small, rustic log cabins reserved for disabled persons – they can be used by able-bodied persons if available. The Park also has accessible outhouses and well water at the main campground. All dogs must be kept on a leash.

Activities

- Cycling is permitted on the trail; please use caution and share the trail with other hikers
- Catch-and-release trout fishing is available for those with an appropriate license
- The lake is a great spot for canoeing and kayaking, however rentals are not available at Inland Lake
- There is a gravel car top boat launch on site. Please note there is a 10 horsepower restriction
- Sections of elevated boardwalk around the lake offer superb wildlife and scenic viewing opportunities
- Although there is little beachfront, Inland Lake has warm water in the summer and several wharfs great for swimming

Important Notice:

- The Inland Lake Forest Service Road will be closed between September 4th and September 20th, 2013 for major bridge replacement. Unfortunately, the Lake will not be available during this time.
- There is no fishing allowed between November 1 – March 31. Single, barbless hook allowed between April 1 – October 31 (no retention of cutthroat trout over 40 cm in length). Please have an appropriate fishing license.

Please call Swens Contracting at (604) 885-3714 for more information.

Inland Lake Provincial Park and Trail System is located 12 km north of Powell River. The 5.5 km long lake is situated in a semi-remote forest setting and supports an abundant wildlife population.

The Park provides excellent camping, fishing, boating, hiking, and picnicking.

Inland Lake is open year-round and has a resident caretaker on site. The trail around the park is wheelchair accessible and provides facilities for both disabled and able-bodied persons.

Please take your garbage out with you when you leave the park.
